The **Executive Division** is free to enter. We do ask that one competitor from the two-person team represents the Credit Union in an executive role.

The **Employee Division** is \$50 to enter. We do ask that one competitor from the two-person team is an employee of the Credit Union that they are representing.

## How can I win money for my charity?

**Executive and Employee Divisions** - We will have two separate official regulation cornhole games. You may enter one or the other, but not both. If you're an executive at a Credit Union you may enter the Executive division. If you're an employee at a Credit Union you may enter the Employee division. Official Cornhole rules do apply for these games. Each team consists of two people.

**Shotgun Game** - All participants who registered for the executive and employee divisions are eligible to compete in this individual competition. Throw 10 bags total. Throw 5 bags simultaneously at one time and then the remaining 5 bags simultaneously at one time, top 3 high scores win. Playoff for tie breakers.

**Highest Score Wins Game** - All participants who registered for the executive and employee divisions are eligible to compete in this individual competition. You throw 10 bags (or less or more? up to you). The most points from throwing 10 bags will get the money. Playoff for tie breakers.

**Best Costume/Spirit** - Bring your team spirit and dress up to win money for your favorite charity. The XDI will pick the team with the best costume and spirit for the day.

**Social Media** - Post your favorite pictures of our event on your social media account and tag XDI. You will receive a raffle ticket. One ticket will be drawn, at the end of the day, and that ticket winner will win money for their Credit Union's favorite charity.
